2021 New Taipei City Children's Art Festival – Hello! Monsters

Breaking news! The annual Monster's Tournament is coming! The residents of Monsterland are training hard for this great event! This year, our fighters include Lightie the soccer guru, Musicalie the master discus thrower, the powerful Cementus, the super flexible Dancia, Pen Brush the archer, Filmies the tennis-double champion sand Clay the baseball player. Our umpire this year will be the super-knowledgeable Bookie. We believe they are all getting ready to win the gold medals in this sport feast!

Our Festival is Moving Online!

Due to COVID-19, we are moving our 2021 New Taipei City Children's Art festival online! We believe this approach will create a safe environment and continue to provide quality art education to our community.

This year, we combine arts and digital technologies in our programs to bring you a brand new artistic experience during this unusual time. We are

setting up our platform online and transforming it into a dazzling digital performance venue. We invite Ju Percussion Group 2, Formosa Circus Art and children's favorite – the YOYO Family, to bring a series of mind-blowing performances to our digital platform.

In addition, the New Taipei City Museum family and the New Taipei Museum of Arts have prepared a wide range of unique educational and interactive programs. They will take turns to make the festival even more memorable for you.

Digital Scavenger Hunt and Installation Arts within Your Reach

We have also created a number of artistic online challenges for you to participate. Let's team up with a monster and embark the fun! You can also create your own customized monster character that captures your unique personal charm. You can also invite your friends to join an online masquerade. We have also moved all our installation arts online,

presenting to you an entirely different artistic journey.

During the Children's Art Festival, the New Taipei City Cultural Bureau have prepared a wide range of gifts and prizes, waiting to be taken home by lucky winners.

This summer, we bring the artistic feast to your home. You will get to participate in the one and only online Monster Tournament and enjoy art events. Let's train your mind and body with our monsters through this new experience!

A New Theme Song: Let's get moving

In 2021, "New Taipei City Children's Art Festival" has a theme song! It is light! It is cute! Let's dance and join the cheerleading team to boost the spirit of our Monsters!

The YOYO Family will show us their unique dance routines, getting children and parents to dance at home. The Monsters will also join the dance feast and they need your help to choose a best dancer so please don't miss their show! We invite your family and friends to showcase your dance moves. This is a great occasion to get physical and get a chance to win our special prizes!

Branching Phenomenon : The Genealogy of Taiwan Contemporary Jewelry and Metal Arts

Contemporary jewelry and metal art began to flourish in the 1960s, this was when artists began to explore new possibilities with materials, technique, form and concept. Since the 1990s, Taiwanese artists began to adopt an interdisciplinary approach to practice, which brings new ideas to material and techniques. The New Taipei City Gold Museum is committed to the research of Taiwanese metal art. It is our mission to promote the diversity of contemporary jewelry and metal arts, allowing its artistic merits and creative potential to be widely appreciated. This summer, our special exhibition will showcase programs both online and offline, this includes:

Dream Factory – The pictorial journey of a dreamer

The Taiwan Picture Book Association will launch their long-anticipated exhibition in New Taipei City Yong 'An Arts Center. The show features up to hundred pieces of works by twenty-four amateur artists, all of whom are graduating from association's comprehensive workshops. In this "Factory," everyone has unrestricted right to dream. Here, these artists, ranging from current students, professionals and retirees, have once again explored their hidden and unrealized dreams. The participating artists come to us with varied backgrounds. One of our artists, being the survivor of a rare disease, has now committed to social causes; another, having worked as a rice merchant for decades, converted a traditional shopfront
