Lego builds Christmasland, the light show brightens the night

“Christmasland,” our most anticipated winter festival, is coming! This year, our dear friend “Lego” comes all the way from Denmark to help us decorate a dream world. From December 3rd and onwards, we will invite everyone to create their own Christmas world with boundless creativity and imagination. Our Lego friends will keep you company all through the alluring lighting area extending from Civic Square, Wanping Park and Station Square, bathing you with the festive atmosphere. We will also have the “All Star Concert,” “Christmas Market” and other great programs ready to

amaze you!

The highlight of the “Christmasland” is none other than our “3D Lighting Show.” This year, our brilliant lights will no longer be restricted by the degree of shade, brightness and the buildings in which they project. Our show will bring Santa Claus and fairies to the surface of our very City Hall building. They will be embarking a fun and adventurous treasure hunt. You will get to witness their adventure every thirty minutes from 17:30 to 22:00 each night.

Monumental Santa Claus in the nightly night

All Lego fans should come and meet our

monumental Santa Claus and significant Christmas Tree, dominating the view of Civic Square. The “Lego fairies” will also be here to greet you. We can’t wait to meet you here!

We will also decorate the footbridges around City Hall with colorful and artistic lighting. You should definitely check it out. We have created a lighting show on one of the bridges to promote “gender equality.” This brilliant footbridge is a tribute to “women’s right” and

will serve as a meaningful check-in spot for all visitors.

Christmasland is available both online and offline

As COVID restrictions ease, New Taipei City invites everyone to celebrate Christmas in our city and enjoy all our wonderful programs. In addition to all the on-site activities, we have organized four online programs. Unable to visit us in person? Don’t worry! Let’s join our party online!

Children will also find their favorite playground at Civic Square and have fun with “Teacups,” “merry-go-round” and other kid’s rides. In Station Square, the “Choo Choo Train” and the “Pirate Ship” will take your enjoyment to another level. What’s more, all Lego characters will be visiting their young friends in Wanping Park for the first time. You cannot miss out on this great opportunity to meet them!
