#### Lighting up the beauties of our heritage and promoting disaster awareness

The restoration work for the “Taipei Broadcasting House, Banqiao Branch” lasted 557 days! Now, we can finally unveil the mystery of this heritage building. Our lighting ceremony, which will take place in the first evening of the Heritage Days, will highlight the architectural beauty of the House. On the same night, Contemporary Legend Theatre will bring us the modern rendition of A Midsummer Night’s Dream,

turning the Park into a wonderland for you. Don’t miss out the Banqiao Story-House and Lego heritage exhibition which will be extended to September 25<sup>th</sup>.

The New Taipei City has also organized “Disaster Awareness Month,” inviting property owners, tenants and managers to attend workshops during the event. We have already delivered workshops for supervisors to address various issues, including risk assessment, disaster planning, prevention concept policies in August. On September 17<sup>th</sup>, we will hold actual onsite fire drills to put our knowledge into practice.

#### Learning about heritage through day trips, lectures and workshops
