2022 Christmasland in New Taipei City

“2022 Christmasland in New Taipei City”, a winter extravaganza that captures the nation’s attention every year, is celebrating its 12th anniversary this year and has been boosted up to a new level to present “White Romance in the Snow Town”, featuring the six iconic brands of Disney+, including Disney, Pixar, Marvel, Star Wars, National Geographic, and STAR. An unforgettable fantastic Christmas party welcomes fun-seekers from November 11, 2022 to January 2, 2023 for 53 straight days!

For the first time, everything is covered in pristine white, including illumination art installations and bazaar, transforming Christmasland into a romantic kingdom of snow. In this 53-day celebration visitors can find their favorite characters from the six brands of Disney+ around the “Snow Town”.

Disney+ 3D Projection Mapping Show

The “3D laser projection mapping show” has hogged headlines internationally every year. The theme for this year’s matchless projection mapping show will bring beloved characters from the six Disney+ brands to all the visitors, creating the unique Disney+ 3D laser projection mapping show in Taiwan. The theme light show will be staged at a 30-minute interval between 17:30 and 22:00 every single day! “Aurora” will also debut in Christmasland in mesmerizing laser lights.

After each show, magical snowflakes will descend from above to turn the town into a winter wonderland!

Twin main illumination zones featuring 6 Disney+ brands

Since the opening of the Christmasland, besides the highlight of event, the main light show, numerous Disney+ scenes and characters inspired installations in twin main illumination zones “Xinban” and “Fuzhong” will be greeting eventgoers with Mickey, Minnie, Olaf, Buzz Lightyear, Groot, Grogu, and other beloved characters. Each venue is assigned with its own characteristics! Visit the “Snow Town” in New Taipei City Plaza for the spectacular main light show, the Olaf-themed Christmas tree, Christmas market decorated with pristine white snow, as well as the children’s favorite carousel and igloo play snow pools. The “Silver White Forest” in front of the Banqiao Station Square resembles a Scandinavian snowy town, a poetic silver white winter wonderland for you to make memories. The “Pixar Classics Revisited” in Wanping Park presents classic Pixar scenes, fan-favorite pop-up store and Disney merchandise.

In Fuzhong, the “National Geographic Polar Area” puts a spin on serious environmental issues by incorporating AI data into a splendid sound and light show. Be sure to

Stunning beautiful footbridges

To accentuate the festive spirits of these spectacular illumination zones, local footbridges are glamorously decorated. The “Force Light Gallery” on the Lihpao Footbridge next to the Banqiao Train Station and Banqiao Bus Terminal, the “Galaxy Star Gallery” on the Lihpao Footbridge over Xianmin Boulevard inspired by the “Star Wars”. The decorated footbridges will surely be picture-perfect from every angle!

2022 Xinzhuang Arts and Culture Festival

Xinzhuang Temple Streets are abundant in history, culture and community arts. All these cultural abundance include several century-old temples and buildings, interlaced with intangible heritage and food culture. Since 2020, New Taipei City Cultural Affairs Bureau has actively promoted the Xinzhuang heritage through multiple channels. The City’s efforts are now widely recognized. Through these channels, we share the unique history and stories of the area.

Starting from December 10, our “2022 Xinzhuang Arts and Culture Festival” will run for two consecutive weeks. We connect the historic temples, cultural heritage, food, the two puppetry shows and day trips. What’s

Decoding Shihshanhang- New 5G Virtual Reality experience

Through our latest virtual reality program, we are inviting you to “Decoding Shihshanhang.” Thanks to the 5G network, Shihshanhang Museum has recreated the archaeological sites, allowing our visitor-archaeologists to investigate through the digs to explore the traces of the pre-historic Shihshanhang people. Not only you can use all types of equipment to analyze the artifacts, you will also be able to restore prehistoric ceramics and participate in metal works, experiencing the early life of the Shihshanhang community.

“Decoding Shihshanhang” is both educational and entertaining. Our team has reconstructed the archeological sites and laboratory in the world of virtual reality, based on all

research data and documents. Our virtual world has retained the landscape of the Bali plain 30 years ago, when the area have not been punctured by high-rise buildings. You will time-travel to the futuristic research environment, exploring pre-historic culture. “Decoding Shihshanhang” comprises four archaeological digs. The 5G network is fast and efficient with wide coverage, allowing our virtual world to compliment the pace of participants, readily providing all required information. You can cultivate the teamwork strategy with your friends while being competitive at the same time.
